

### ANNUAL GIVING REPLACES DUES

An exciting train of events was touched off at the annual meeting of the Association on June 2, when major changes in association structure and operation were approved unanimously. One of the changes most directly affecting every alumna is the elimination of dues and the beginning of annual giving.

As long ago as February, 1961, leaders in the Association were discussing the need for changes for the following reasons—we have grown significantly in the last few years; our objectives have been larger and broader and some of them have been fulfilled; we have an Alumnae House; the Endowment Fund Campaign was successful; we have a larger office staff; and we have begun to contribute funds for special needs of the college.

Yet there has been a trend in the other direction. Fewer and fewer alum-

nae have found it worthwhile to pay the annual dues. Each year it has been necessary to draw upon our slender reserves to meet operating costs. Our publication has been reaching only one sixth of our mailing list because we could not afford to send it to non-paying alumnae.

We discovered we were in a minority of alumni groups when we persisted in collecting annual dues, as such a method of gathering funds is considered outmoded and ineffective. Other alumni organizations have found that they profit from a system known as "annual giving," and after much study, the Board of Directors recommended the change to annual giving.

Under this plan all alumnae are members of the Association; membership is

not contingent upon paying dues; and the publication is mailed to the entire mailing list. Once a year members are asked to contribute to the Alumnae Fund in whatever amount they desire. They are solicited only through the annual giving drive so that duplication of separate campaigns is eliminated. Every gift is credited to the Alumnae Fund, earmarked for special purposes if so desired, thereby showing the real total of alumnae giving. We are hopeful that the plan will encourage repeated, yearly giving rather than sporadic contributions.

In a few weeks you will receive a form for the convenient mailing of your contribution for 1962-63. We believe that if you understand the need, if you know and believe in our purposes, if we can keep in touch with you, that you will do the rest. The success depends on YOU.

## CHARTER AMENDED

Several amendments to the Articles of Incorporation (better known as the Charter) were adopted by the Association at the annual meeting and became effective when the State Corporation Commission approved them on July 5, 1962.

These amendments provide for revisions relating to the purpose of the Association, its control or government, and its membership. They also include a paragraph stating that in the event of dissolution, the assets of the Association are to be turned over to MWC.

The purpose of the Association is "...to assist the college in the development and expansion of its institutional program and facilities, and to promote the educational program of the college. The Association shall aim also to de-

velop and strengthen the bonds of interest existing between the college and its alumnae and among the alumnae themselves."

Control was previously vested in the active (paying) members and exercised by a Board of Directors, made up of national officers, committee chairmen, and directors of chapters.

Under the amended charter, control is vested in the Board of Directors. This 22-member board is to be made up of 15 directors elected by the members of the Association at the annual meeting and the following seven persons: the Chancellor, an appointee of the Chancellor, a faculty advisor, a director elected by the Alumnae Council, the past chairman of the Board, a director elected by the Senior Class, and the Executive Secretary. The 15 elected members serve three-year terms and may not succeed

themselves; the seven appointed members serve one year and may succeed themselves.

Formerly, only alumnae who paid dues were active members. As amended, the charter provides that any student who has been regularly registered at the college for a minimum of two semesters, shall be a member of the Association. Honorary memberships shall be granted by the Board of Directors.

## BOARD MEMBERS RATIFY BYLAWS

A new set of bylaws, based on the amended Charter, was approved by the Board of Directors at a special meeting on June 2 and ratified on July 14 at the organizational meeting of the interim Board.

Some of the changes in the structure and operation of the Association are described in the paragraphs telling of the charter amendments. Other changes which are provided for in the bylaws are these: new officers and a reassignment of duties; a wider representation on the Board and new terms of office; the establishment of an Alumnae Council; reduction in the number of required meetings and greater flexibility in the dates of these meetings.

There are no longer the offices of president, vice-president, historian, and parliamentarian. Instead, the following four officers are elected by the Board of Directors from the 15 directors who are elected to the Board by the members of the Association:

*Chairman of the Board*, who shall be the president and general executive officer of the Association.

*First Vice-Chairman*, who heads the Alumnae Fund Committee.

*Second Vice-Chairman*, who is in charge of the Program Committee.

*Third Vice-Chairman*, who is chairman of the Alumnae Council Committee.

The duties of treasurer and secretary are to be carried out by the Executive Secretary.

At each annual meeting, association members will elect members to the Board of Directors. A nomination-election committee (which is elected), in preparing slates of nominees to the Board and in choosing the candidates, will give attention to geographical and class distribution so that wide representation can be obtained. Five directors are to be elected each year for three-year terms, with the exception of this coming year when 15 directors must be elected.

Members of the Board who were serving at the time these changes were made will continue to serve during the interim period. They, with the seven appointed members, constitute a Board of 41 persons. At the annual meeting next spring this interim Board will be replaced by the 22-director board—15 elected and seven appointed.

Dues have been replaced by an annual giving program with the establishment of the Alumnae Fund. Contributions to this fund are to be solicited annually. "The Alumnae Fund shall be derived from annual contributions of alumnae, annual contributions of chapters, donations, and all other income. After current expenses of the Association are paid, available funds may be used for the special needs of the college as determined by the Board of Directors. The

annual contributions of the members may be made as unrestricted gifts or, if preferred, the alumna may designate how she wishes her gift to be used."

An advisory body to be called the Alumnae Council will be organized to serve as a forum for discussion of organizational policies, to submit recommendations to the Board of Directors, to coordinate activities of chapters, to discuss and work out chapter problems, and to further understanding between alumnae and the college. Each chapter may be represented on the Council and each chapter delegation shall be entitled to one vote. The Council shall elect one person to serve on the Board of Directors. (It is thought that the Council will meet on the campus in the fall in place of the Board meeting formerly held at that time.) Chapters will now have a voice in the governing of the Association through the Alumnae Council and through any of their members who may be elected to the Board of Directors.

The Board of Directors is required to meet only once a year, at a time to be determined by the Chairman of the Board. Between the meetings of the Board business will be transacted by the seven-member Executive Committee, which is made up of the four officers, the faculty advisor, the executive secretary, and the chairman of the Finance Committee.

## HOMECOMING EVENTS

The schedule of events at Homecoming on June 2 followed a familiar pattern—Saturday morning the annual meeting, followed by the banquet luncheon; in the afternoon the alumnae college and class reunions; in the evening a buffet supper at Brompton and open house at Spotswood.

An attendance of 60 at the annual meeting, larger than usual, indicated interest in the proposed charter amendments which were approved at this meeting. Since it was permissible for the present officers to continue in office until the organization of the new Board on July 14, no election was held at this time.

At noon, Seacobeck Dome room could not accommodate the crowd of alumnae, faculty, and students waiting for the buffet lines. Many waited on the gallery and lawn.

Miss Clara Boyd Wheeler '31, executive director of the Newport News YWCA, was luncheon speaker. Having served three and a half years as advisor for women's education in Ethiopia and nine years as American consultant to the YWCA in Greece, Miss Wheeler was able to speak with authority on the increasingly important part that the education of women is assuming in world affairs.

Following the luncheon, Alumnae College, consisting of two sections, met in DuPont. *Modern Foreign Languages* was conducted by Mrs. Mildred Bolling, who was assisted by Miss Carmen Rivera, Miss Mary Ellen Stephenson, Miss Lia Beretta, Miss Mary Lou Morris, and Mr. Joseph Bozicevic. The other section, *Education Today*, was a seminar led by Dr. Edward Alvey, Jr., Mrs. Paul Hook, and Mr. A. Ray Merchant.

The language section met in the language laboratory for a demonstration of the lab facilities and then heard the five faculty members talk on a number of subjects: modern trends in teaching foreign languages; comments on contemporary French, Spanish, Italian, and Russian literature; the visits of foreign diplomats to MWC; and foreign films and exhibits shown at the college from time to time.

Alumnae interested in education met in DuPont theater to hear the three-member panel discuss informally the various teaching methods, among them the Amidon method introduced in D. C.

CLARA BOYD WHEELER

The use of teaching machines and the study of foreign languages in elementary grades were also considered, with ideas being exchanged freely between panelists and "alumnae students."

Other afternoon activities included class reunions, viewing exhibits, and general "get-togethers." Dr. Carrol Quenzel presented, in the library, an exhibit of Alumnae publications, and Mrs. Dorothy Van Winckel invited alumnae to an exhibit of Student Art in DuPont.

In the evening, at Brompton, Dr. and Mrs. Simpson welcomed a large crowd of Seniors and their families, faculty, alumnae, and townspeople to a buffet supper on the lawn. In the receiving line with the Simpsons were Judge and Mrs. Albert V. Bryan. Judge Bryan, who was speaker at the commencement exercises on Sunday, is a Federal judge and rector of the UVA.

The last scheduled event of the day, Open House at Spotswood, was a success despite the fact that the fuses blew, refreshments ran out far too early (many more came than were expected), and it rained hard.

## BOARD ELECTS OFFICERS

On July 14, 1962, twenty-three members of the Board of Directors met at Spotswood to elect officers and complete the organizational work required by the new bylaws.

Miss Kathleen Goodloe, continuing to serve as president until the election of the new officers, presided. The bylaws were reratified to meet legal requirements and the following officers were elected:

CHAIRMAN OF THE BOARD, *Jane Howard Patrick*, Kensington, Md.; FIRST VICE-CHAIRMAN, *Irene Lundy Brown*, Newport News; SECOND VICE-

CHAIRMAN, *Marian Minor*, Richmond; THIRD VICE-CHAIRMAN, *Kathleen Goodloe*, Fredericksburg.

Elected to the Nomination-Election Committee were *Helen Katherine Hodges*, Richmond, for a one-year term; *Marceline Weatherly Morris*, King George, for two years; and *Rachel Nickey Morgenthauer*, Baltimore, Md., for three years.

Following the elections the Chairman of the Board, Mrs. Patrick, made the following appointments: Chairman of the Committee on Nominations to the Board of Visitors of the University of Virginia, *Eloise Strader*, of Winchester; Chairman of the Finance Committee, *Peggy Kelley Reinburg*, of Richmond. Serving with Mrs. Reinburg are *Lavinia Ash Stuart*, of Washington, D. C. and *Sarah Herring Estes*, of Spotsylvania.

Chancellor Simpson, a member of the Board and present at the meeting, was invited to speak. Dr. Simpson spoke of the significance of a college official's becoming a member of the Board of Directors of the Alumnae Association and an active participant in the alumnae program.

After the Board meeting adjourned, the new executive committee met to work out plans for the coming year. At the start of the meeting Mrs. Mary Annette Klinesmith Kelly announced that she must resign as faculty advisor because of a busy schedule this coming year. Mrs. Kelly, who has held this position for a number of years, also stated that she feels it is inadvisable for one person to remain in office for an extended period. After efforts to persuade her to reconsider failed, the committee regretfully accepted Mrs. Kelly's resignation on the condition that she continue as faculty advisor until her successor is chosen later this year.

Preliminary work was planned for the annual giving campaign which will begin this fall. Mrs. Brown, Chairman of the Alumnae Fund Committee, was asked to consult with the college administration on choosing the objectives of this year's campaign.

Miss Goodloe, Chairman of the Alumnae Council Committee, was authorized to arrange for a meeting of the Alumnae Council to be held at MWC some time this fall, probably late October. The Council, made up of delegations from chapters, will then organize and plan its program.

Jane Howard Patrick, who now heads the Alumnae Association, is a 1948 graduate of MWC. She and her husband, Selwyn E. Patrick, live in Kensington, Md. with their two sons, John, 8, and David, 5½. Mr. Patrick is manager of marketing administration for the IBM Federal Systems Division.

Jane, a psychology major, came from Portsmouth and after graduation worked for IBM in Richmond and D. C. until her marriage in August, 1951. For a short time she was an IBM consultant for the National Bureau of Standards. She now combines her duties as housewife with work in the Methodist Church and the Maryland-Suburban Alumnae Chapter of which she is president and a charter member.

We were saddened to hear about the deaths of the following persons:

BEULAH BEALL McMARTREY '34, Mitchellville, Md., August 17, 1957 of cancer. She is survived by her husband, Dr. James McMartrey, and two sons.

# Spotswood Spotlight

FIRST LIEUTENANT PATRICIA ANNE HOWARD '58, of the Women's Army Corps, was killed in Germany in April, 1962. She is buried at Fort Sill, Oklahoma.

Ronald W. Faulkner, a member of the music department at MWC since 1937 and known and beloved by so many alumnae, died at the age of 62 on June 5, 1962, in Mary Washington Hospital. Mr. Faulkner entered the hospital for surgery the day after he took part in the May Day exercises on May 5th. We wish to extend our sympathy to his wife, whom you all know as Director of Dormitories, and to his daughter, Mrs. Ronna Simpson.

Miss Alice L. Edwards, professor and chairman of the Home Economics Dept. at MWC from 1941 until her retirement in 1951, died in Corvallis, Oregon, on July 5, 1962, at the age of 80. For the past year and a half she had been living in a convalescent home.

Dr. Edwards was a graduate of Oregon State University and received her master's degree and doctorate in education from Columbia. Born of a pioneer family in Oregon, she was the eldest of eight children and is survived by two brothers.

The Thomas Jefferson Cup, which is awarded by the Alumnae Association to the Senior who has held high scholastic average and who has given outstanding service to the college, was presented to *Joan Marie Akers* '62 at the Senior Convocation in May. Joan, from Gladstone, Va., was a psychology major, judicial vice-president of Student Government, head of the Fencing Club, treasurer of the psychology club, and a member of Mortar Board.

*Sarah Lacy Powell* '62, of Montgomery, Ala., received an award of \$250 from the college to be used toward her expenses at Columbia University graduate school this coming year. The grant, for advanced study in the field of literature, was made possible through the \$5000 which the Alumnae Association gave to the college to be used for graduate or special study by a representative of MWC.

We regret that this issue has no news of the college, the faculty, the chapters, and individual alumnae. There is much to tell you, but the report on the reorganization and on Homecoming had to have priority on our limited space. If annual giving is successful perhaps we will be able to increase the size of our publication.

# LIFE MEMBERS

Under the present system of annual giving there is no provision for Life memberships, because any former MWC student regularly registered for a minimum of two semesters is automatically a member of the Association. However, we wish to give recognition to the many loyal alumnae who paid for Life memberships when we operated on a dues-paying program. The following persons are Life members or had paid on a Life membership. Any names inadvertently omitted will be published later if the alumnae office is informed of the error.

# Class Notes

4908 Dollard Dr., Richmond 30

Dear "Girls":

June 2, 1962, was another red letter day for us, the Class of 1915, when we met at the College for our reunion.

Alice Warren Twiddy, Edna Gibbs Hunter and Elsie Wood Rice spent the entire weekend at Randolph Dormitory. On Saturday night they were joined by Margaret Sayre Ranson, Ettienne Moore, Josephine Jerrell White, and I came for the day Saturday. The girls took wonderful care of me, since I am yet hobbling with the use of two canes.

We gleaned the following news: Virginia Bolen's duties at Lane H.S. in Charlottesville prevented her being with us. Charlotte Rice Weymouth had considered coming Saturday, but later wrote that she couldn't make it. We were glad to hear that Charlotte felt better this year than she had for some time. All four of her children are married and gone, leaving her and Dan in a house much too large for them. She keeps in contact with Fanny Jenkins Donaldson and Grace Tanner, who lives at Morattico. Grace does not get out too often.

Beulah Detwiler Anderson is troubled with arthritis of the knee and was out of school for a month. She is retiring from teaching this June and hopes to be present for Homecoming next year. Her son, Bill, is now located in New Mexico but had been in Austria and Turkey. She also has a daughter, Bobby. Beulah especially enjoys her grandchildren.

Mannie Torbert Kelly phoned me that she was in Richmond at the time of the Homecoming but was caring for a grandson while her daughter, Ann, was in the hospital with a new baby girl. Ettienne had a nice visit with Lillian Craig when she was attending the Garden Club convention in Roanoke this spring. Lillian's nephew is in Saudi Arabia.

We were proud to note that there were books and other publications in the Library Exhibit at the college by Lillian Craig and Grace Tanner. On June 3 Alice Twiddy and Edna Hunter went on to Orange county from Fredericksburg to visit some friends.

Recently I had a letter from Margaret Ranson postmarked Chicago. She had gone to visit her sister, Ruth, while the doctor was attending a medical convention. Visiting a museum there, she met Mary Temple Coleman Theimer, who was employed there as a guide. They had nice visits and lunch together, not having seen each other since graduation.

You will be interested to hear that Margaret was honored in the spring by the P.T.A. and given a gold Life Membership pin because of her interest in civic affairs, P.T.A., and in helping slow pupils. She will teach again next year in McGruder School, Newport News.

Today I received a letter from Mary Temple telling how glad she was to meet with

Margaret. She had not heard of my accident until Margaret told her. She enjoys her work at the museum as it is interesting and the people she works with are wonderful. She is called a "Demonstrator." Here we would say "Guide." She has four grandchildren, two of which are twins born last October. A visit with her daughter had been planned for July when two children came down with the measles. A disappointment for all!

Girls, do write about yourselves. Love,  
RUTH

**37** Eleanor Lee Sutton Heath, 208 Country Club Dr., New Bern, N. C.

It was wonderful! Twenty-one girls answered the call to "come home," and we had a real celebration. Twenty-five years, and not one looked any older, all agreed. Our skirts were shorter and, true, some of us were a little fatter!

Many of the girls have made stupendous accomplishments—such as having twins, being elected by their communities as "Women of the Year," managing large farms, obtaining Ph.D. degrees, and touring the world. Others are directors of religious education, cafeteria managers of large city schools, outstanding private secretaries, teachers, one is in line for Grand Matron of the Order of the Eastern Star of the State of Virginia, and last, but certainly not least, keeping house. We will match the titles with the names—but more about this later.

Our reunion was Saturday afternoon and one of the most delightful experiences of the reunion was having with us our class sponsor, Dr. Eileen Kramer Dodd. Gracious, lovely Mrs. Dodd welcomed us and gave the introduction to a brief memorial service for those of our class who have been called to their eternal home: Nell Rose Brance, Margaret Graves Holladay, Dorothy Diffeer Sauer, Nancy Fletcher Smith, Mildred Wood, and Virginia Comann.

Most of the afternoon was spent talking and reminiscing. True, many of us had to be guided when we asked where certain buildings were. Girls, if you haven't been back, (only eighteen out of the twenty-one at reunion had been back since graduation) please go. You will be pleased with the improvements in the physical plant.

Dot Ramey Strother brought us greetings from her mother and also gave us news of Mrs. Bushnell. How we wish both Mrs. Ramey and Mrs. Bushnell could have been with us.

I was elected your class agent; please help me. We were sorry to lose Mary Margaret Chapman Mitchell as our agent. To her go our thanks for a job well done and for keeping us together.

Oh, I can hardly wait to compile the information on the questionnaires and mail the news to you. Madeline (Mickey) Warwick, bless her, is going to help. If you have not sent in your questionnaire, please do—or send me a resume of your activities for the last twenty-five years. We do want all of you in our "Book of Memories."

It was a real joy for me to meet Bettie Griffith. She and her staff did a wonderful

job of making arrangements for Homecoming. Our grateful thanks go to Bettie, Marion Minor (Homecoming Chairman), and all who made it a real "Homecoming" for us. Your Alumnae House, Spotswood, is lovely; do make an effort to go and visit.

Don't forget to send me class news. Madeline and I will do our best to get the Class History up to date and mail it out to you sometime during the late summer or early fall. If you are down New Bern way, come to see me.

9410 Flagstone Dr., Baltimore 34, Md.

Few '49ers attended Homecoming. I saw Lavinia Ash Stuart and Mary Elwang Shannon, but didn't see Lila Riggs Graf who was registered. I attended the '47 reunion and showed my daughter around. My 6-year-old daughter Claudia accompanied me on the one-day trip and was quite impressed with "Mamma's" school. She enjoyed staying at Mary Elwang Shannon's home during the morning and attending the buffet supper on the lawn at Brompton.

Peggy Elliott Sweeney played the lead in "The Country Girl" at the local Little Theatre. Jeanne Farrington Leslie, Helen Lowe, Betty Forsythe Sommers, and Betty Hoffman Forlenza see each other frequently at meetings of the Delaware Valley Chapter. I just learned that Iris Godfrey Slippy is married and lives in Washington State.

Elizabeth Coker White is heard from for the first time by way of a new address and a married name. Almost had a reunion with Elinor Platt Levy, but I couldn't go. She recently moved to N. J. where her husband is curate of an Episcopal church. Betty Phillips has an address in London, England. Anyone know any more about this venture? Charlotte Kalil Harvey, Peggy Elliott Sweeney, and Anne McCaskill Libis and families enjoyed a picnic and swim near Utica, N. Y.

In Sept., 1945, there were 422 girls in our class. Two hundred thirty-seven graduated. Of that 422 there are 175 who are lost to your agent and the Alumnae Office. However, I'll do what I can to help you locate your friends if you'll write to me. Can someone help me to locate Lucia Spence Andrews and Bertha James Bailey?

Let me hear about your vacations.

ANNE

**50** Dorothy Held Gawley, 177 McCosh Road, Upper Montclair, New Jersey

I'm writing this while spending ten days at Eastham on Cape Cod, a little relaxation before Irv starts teaching his summer session. There's not too much news to offer, and I'm hoping to hear from more of you in the near future.

Barbara Lloyd Hiller is in Ridgewood, N. J., having moved up from Baltimore in March. It's not too far from us, so we stopped by on Memorial Day for a quick chat and promises for a more lengthy visit later. Also close by, in East Orange, is Barbara Huber Bohmann. We spoke on the phone recently and she told me they were

expecting a new arrival in June. Jill was two in July.

I hear that *Betty Gavett* Lampard and family are coming back to the States from London, England, and may be in the D. C. area. *Nat Wilton* is hoping to get a week at home in Seattle this summer to take in the fair.

*Shirley Cole* Schleiter and son spent six weeks in Florida at her brother's home. John followed to spend the last ten days of the visit with them. This trip preceded an operation for Shirley and I'm happy to report all is fine now.

I hope you are having or have had a pleasant vacation. Do drop me a line.

52 *Nancy Stump* Motley  
3622 Winding Way Rd., Roanoke  
*Nancy Moxley* Stone  
3653 Iredell Ave., Roanoke

Those of you who couldn't return to M.W.C. for our 10th reunion missed a good time. There were thirty-five class members there for the week-end, and we all had a wonderful time catching up on the events of the past years.

The members present for the class meeting voted to make a contribution to the Alumnae Association in memory of *Carol King*, who died Dec. 30, 1959. Anyone who wishes to contribute may send a check to *Charlotte Adams Wilson*, 1130 Magnolia Ave., Norfolk. There was also a discussion concerning a future contribution to MWC in memory of *Emil Schnellock*, who served as our Senior Class Advisor.

*Nancy Stump* Motley and *Nancy Moxley* Stone agreed to serve as co-class agents, effective immediately, so this will be my last contact with you as your class agent. I want to thank all of you who helped me to collect the news by taking the time to mail it to me. The new agents will tell you very soon about the manner in which they plan to organize their duties. Thanks a million girls and "Good Luck."

The class directory should be ready sometime this fall. If you didn't send in the information requested of each class member, please send it immediately to Mrs. *Nancy Stump* Motley, 3622 Windingway Rd., S.W., Roanoke, Va. Include your full name, address, occupations held since graduation, husband's name and occupation, children's names and dates of birth, any advanced study, community work, travels, and any other information of interest.

The information we had already received was available to all who attended Homecoming, and it was fun to have such recent news from so many girls. We enjoyed especially reading the letters and looking at the pictures sent by those who could not return. Wish more had done the same. The class reunion picture is available for \$1.00 a copy from Colony Studios, 300 William St., Fredericksburg. Indicate "Class of 1952—10th Reunion" when you order.

We were very happy to welcome Dean *Mary Ellen Stephenson* to our reunion. Many thanks to her for taking the time to visit us. Also, our thanks to *Maryanne Heatwole* Cox,

of Fredericksburg, who arranged our class party at the Fredericksburg Country Club Saturday evening. About twenty girls attended and enjoyed seeing Dr. and Mrs. Castle, Dr. and Mrs. Ray Sumner, and Mr. and Mrs. Charles L. Read. We had invited other members of the faculty but previous plans and duties made it difficult for them to attend. It was so much fun and we enjoyed the social get-together.

*Margaret Green*, from Montgomery, Ala., traveled the longest distance; *Peggy Sherman* Capers came up from Augusta, Ga.; and a large group came from Northern Virginia and Maryland, as well as from Norfolk and Richmond.

Everyone was happy to welcome *Claire Sindlinger* De Groot back to the U.S.A. from Japan where she and her Navy husband had been living until recently. Both *Suzanne Branner* Kessler and *Dorothy Maynard* Power have three-month-old babies, yet they managed to get back for the week end! *Janet Heilman* Meador, Charlottesville, sent word of a newly-born baby, *Gwen Amory* Cumming couldn't come since she expects a child in the near future. *Phyllis Kistler* Touchstone, one of the "lost" members of the class, returned looking wonderful. She has two boys and lives near Philadelphia. *Nancy Moxley* Stone has moved to Roanoke.

I'm not listing all who returned as the reunion picture will identify the girls. The class scrapbook has been placed in the Alumnae House for safekeeping and display. Stop by there anytime you are in Fredericksburg. Current news is now being collected for another scrapbook of the past 10 years' activities. I will try to have it complete in the near future and place it in the Alumnae House also.

Don't forget to send all news to the new class agents. I'll certainly miss hearing from so many friends and will look forward to reading the class news from now on. Best of luck to all!

BETSY

54 *Bootsie Simpson* Johnson, 215 24th St., S.W., Roanoke

*Betty Baylor* Neatrou, Churchville

Greetings from Homecoming '62! How good it was to find *Helen Hodges* in person and a long note from *Helen Rearden*, which was delivered to the Alumnae House when Helen passed through Fredericksburg en route to Richmond and Houston, Texas. Immediately the two Helens were drafted to collaborate on the "News," one vicariously.

For the past four years *Helen Rearden* has been working at the M. D. Anderson Hospital and Tumor Institute of the University of Texas. Her work in the Biology Department, Section of Cytology, is related to cancer research. Her first trip back to MWC from 2226 Maroneal, Houston 25, was on June 1 after she attended the Tissue Culture Conference, May 29-31.

*Mary Ann Dorsey* Judy, Paul, their three daughters and one son are being transferred to New York from Wheaton, Ill., where Paul is vice-president of an investment firm. The Judys were visited in September 1961, by *Nancy Root* Skinner and Bob, who were on

their wedding trip. Mary Ann heard from *Betsy McNeal* Brann about the arrival in January of their first child, a boy.

*Anne Lewis Payne* Long is busy directing weddings and plays. *Bootsie Simpson* Johnson and Em expected their second child in June. Perhaps *Bootsie* and *Carolyn Barnes* Houlgrave can establish an alumnae chapter in Roanoke.

Late Saturday afternoon I met *Carlene Mitchell* Bass and *Peggy Sloane* Darbie in the "C" shop. They were just ending a pleasant thirty-minute visit to MWC. *Carlene*, Tommy, their son, and a daughter live in Ashland. *Peggy*, Arthur, and their son live in South Plainfield. They said *Marion Pleasants* Trice, Ashton, and their two children are living in Richmond.

Hope you had a wonderful summer. Please send us news.

BETTY

HELEN HODGES' TURN:

I was delighted to see Betty at Homecoming. She and I were the sole representatives of our class. As of Homecoming, June 2, here are news items about which I know.

I have been elected president of the Richmond Chapter for 1962-64. I am still living in Richmond and working for the Va. Dept. of Agriculture.

This past year I made two trips to New York State to visit *Nancy Hoffman* Eidman. She, Fred, and their two sons are settled in a new-old house in Rome. On one visit there we were joined by *Pat Josephs* Zavadil and husband Jerry, who were enroute to New England. They left their two sons at home in Grosse Ile, Detroit. Pat and Jerry also visited *Norma Bourne* Bisbee, Bill, and their two children in Williamsburg, Mass.

*Peggy Davies'* sister Betty informed me at Homecoming that Peggy, her husband, and son moved from Texas to Pittsburgh recently. Her husband is associated with Gulf Oil. I understand that *Nell Amos* went to Japan sometime ago to teach.

Is *Pat Hatfield* still in Triangle? When I was in Florida in June, 1959, I attended the wedding of *Eleanor Zundel* and Charles Phillips. They have a new home in Bradenton and "EZ" teaches first grade in Sarasota. When she was in Richmond last summer we enjoyed having lunch together at Miller & Rhoads Tea Room.

*Nancy Bristol* Hollis, husband, and daughter live in Brookfield, Conn. Her husband is a radio engineer. One final item: this summer I am having a month's vacation, during which I am making a trip to the West Coast with a stopover in San Francisco and a visit to the Fair in Seattle.

HELEN

55 *Christine Harper* Hovis, 685 28th Ave., San Francisco 21, Calif.

Hi! Hope this summer has been a pleasant one for all of you. We certainly got off to a good start by receiving news that Neil passed the California bar exam in June. There were many happy faces around the Hovis household, believe you me, as it was a corker. I felt as if I'd passed it too! Now on to other news—

From *Linda Johnson*, a nice long letter telling of her past and present life. She received her MA in Experimental Psychology at Colombia in 1958 and is now working on her Ph.D. at NYU. Her honors paper has been published in a book called "Personal Perception and Interpersonal Behaviour." She is also a vice-president, a director, and a stockholder in a company which produces pickled string beans called "Dilly Beans." The company is headed by *Jackie Park* and *Sonya Hagna* (also former MWC'ers).

*Pat Lipscomb* is teaching and working on her Ph.D. in Philosophy at the U. of Michigan. She plans to marry an Italian this summer, and they may move to Italy permanently.

*Carole Kolton Bryson* and family have moved to Highland Springs, Va. Bill was discharged from the Navy and planned to open his dental office in June. They bought a house and according to the last letter were busily getting settled in their new home.

*Grace Vane Saunders* and family moved to Louisville, Ky., where Fred has a job with DuPont. They, too, recently bought a house. *Coralyn White McGeehan* had a little girl Feb. 15th, and planned to move into a new house in Falls Church this past June.

That covers the news for this issue. I hope you have the newsletter by now and will be able to help me out! Then maybe I can get caught up on all the marriages, babies, etc.

**'56** *Hermine Gross*  
966 El Cajon, Palo Alto, Calif.  
*Harriet "Ozzie" Mask*  
Route 2, Herndon

*Betty Lee Keesee* is married to Robert Milos Knorr and lives in Philadelphia. *Barbara Lorraine Copen* has moved to Fredericksburg from King George. *Nancy Hanna Stone* and *Perry* have returned from Japan and are now in Norfolk. *Peggy Lou Wood Wright* and *Bob* live in Ashland.

*Suzanne Borke Grasberger* and *Tom* were expecting their third child in late May or early June. *Suzie* sends along the following news: *Louise Hanselman Bowman* and *Jasper* welcomed a daughter into the family in April. *Meg White Fary* and *Frank* have adopted a daughter. They were visiting in Richmond a few months ago. *Barbara Wygal Birdsong* and *Frank* had a second child last December. *Jean Tompkins Smith*, who lives in Richmond, is a social worker in Chesterfield County.

Finally located *Pat Clark Kroecke* and *Dick* a few months ago—on the tennis courts here in Palo Alto of all places. They moved out here in February. *Dick* works for the Itek Company and *Pat* is working at the Sylvania Plant, which is an electronic defense laboratory. They have taken up skiing and tennis and have recently bought a lot in near-by Los Altos.

Well, gals, that's all the news this trip. I plan on going to the World's Fair in Seattle and will tell you all about it next issue. Plea: if anyone knows the whereabouts of *Ann Mitchell* (Mrs. Robert Lewis) in Washington State, please let me know. **HERMIE**

**'57** *Betty Rhodes O'Donnell*  
320 E. 42nd St., N. Y. 17, N. Y.

The afternoon of our fifth reunion was beastly hot, but we chatted and condensed the period from Sept. '53 to the present in little more than an hour's conversation. The first 15 names of the following list are those of the small, but congenial group of "returnees."

*Gilmer Chamblin Stacey* was the person we were most surprised to see. She was completing a three months' vacation on the East Coast and has since returned to Honolulu, where John is stationed. They have two fair-haired, cute daughters.

*Susan Bender Trotter* and *Ben* are new home owners in North Springfield, Va. They have a son and a daughter. *Ann Davis Spivey* taught the 5th grade in Lexington last year while her husband completed his law studies at W&L. He received his degree in June. They planned a summer tour of the U. S., including the World's Fair and Alaska. They intend to make their home in Richmond.

*Carolyn Six Herel* came all the way from upstate NY for Homecoming. Her current hobby has been collecting rare coins. Her husband received a degree from Rensselaer Polytechnic Institute this year, and they, and *Suzanne*, 4, will move to Buffalo where Ed will be working for DuPont.

*Jean Durham Busboso* lives in Alexandria where Ernest is with an electronics company. *Catherine Wright James* moved from Richmond to Wilmington, Del. after her marriage to *William* in 1961. He works in the research center of the Hercules Powder Company. *Sandy Ball* is still with I.B.M. in DC. She is happy with her position there, which includes occasional trips to New York and other eastern states.

*Libby Field*, *Sheila Liebler Brog*, and *I* rode down with *Erna MacLaughlin Lawrence*. *Erna*, *Kent*, and *Kim*, 2, live in New London where *Kent* has been stationed since April. They had lived in California where *Erna* was somewhat a "Perle Mesta of the West Coast," hostessing several vice-admirals' parties.

*Sheila* arrived at the luncheon with a fresh coiffure and looking so chic that it surprised everyone when she revealed the secret that her second child is due in November. I caught *Libby* off-guard once glancing at her lovely emerald and diamond engagement ring. *Libby* and *Hugh Erwin, Jr.*, will tie the knot on Sept. 8th. I'm pleased to add that I'll be a bridesmaid.

*Ann Ahrens* and *Nancy Simpson Finch* drove down from D.C. *Ann* is a nurse at Doctors' Hospital in D. C. and plans to move to a Georgetown apartment this fall. She has lived in Alexandria for the past three years. *Nancy* has retired from the business world since her daughter arrived in January.

*Joanne Insley Pearre's* husband had just received his orders from the Navy the day *Joanne* came to the alumnae luncheon. Their home for the next two years will be China Lake, Calif. where the daily temperature is 120 degrees, and "China Lake isn't even a lake; it's in the middle of the Mojave Desert," *Joanne* added with a grin.

*Sidney Cowles Carr* and *John* have a home in Ordinary, Va. They have a boy, 4, and a girl, 2. *Anne Jones Belsha, Les*, and their two children will move to Richmond in the fall. *Anne* phoned from Norfolk during Homecoming weekend to say how sorry she and *Lois Prime Liles* were to be unable to be there. They had planned to drive up, but at the last minute *Lois'* infant son, adopted in January 1962, came down with a rash.

*Judy Denton Quillen* has two daughters and lives in S. C. where her husband is with the forestry service. Best wishes to *Foncie Lawrence*, who planned to marry *Bruce Williamson* in August. *Edythe Hester* is teaching physical education in the D. C. area. *Libby Fordham's* next major move is to Germany where she will be teaching for the next two years.

*Alma Rowe Jenkins* has two children and lives in Edgewood, Md. near Aberdeen. *Gretchen Loewner Dawson* lives in Christianburg where her husband, a graduate of VPI, manages two television sales and repair shops. In addition to teaching the 4th grade, *Gretchen* is also a Girl Scout troop leader.

Congratulations to *Ellen Hertz Hewitt* who, as far as I know, is the first in our graduating class to be the mother of four! *Meg Patten Bland's* second child and first son was born in February. *Courtney Bagby Murphy* and *Jim* have a son, 3. *Jim* is stationed in New London.

*Teddy Mooney* was married in Bridgeport, Conn., on June 2nd. Perhaps we'll find out "his" name for the next newsletter. *Polly Smith Buchanan* lives in D. C., where "Bucky" is with Texaco. They have two children.

*Betsy Jones Ware* and *Latane* live in Atlanta where he is a resident surgeon. Their first child is "on the way." *Nancy Hallett Guest's* husband is manager of Brink's in Rochester, N. Y. They have two sons.

In May, I received a letter from *Karen Rymer*, who was married three years ago to *William E. Collins*. He is working on his doctorate at the U. of Wisconsin. They and their year-old son live at 504-G Eagle Heights, Madison 5, Wis. *Karen* would especially like to hear from *Maude Nevins*, *Nancy Ward Whitmore*, *Nancy Perntner*, and *Lucile Fletcher Aussicker*.

If you can't remember when you last sent in some news for this column, you're long overdue. Drop me a note this minute, thanks.

Received a card from *Elaine Freedman* who is now working for National Cash Register in San Francisco as a programmer. They have sent her to the Seattle World's Fair where she is demonstrating a computer. She said she was having a marvelous time.

*Neva Wilkinson Dyer* wrote that *Joanne Meehan Arnold* had a baby boy in March. *Neva* is teaching a pre-school class this summer and will teach first grade in the fall.

When I was in Richmond in June, I stopped by *Rose Bennett's* new apartment. It is furnished with an artistic touch and has everything from Japanese lantern lights to an old school desk telephone stand. *Ann Hutcheson* Arthur and Jimmy were there and Rose and Ann were comparing newspaper stories. When they lived in Kentucky, Ann worked for the local paper where she was everything from food editor to crime reporter.

I also saw *Becky Lonas* Hoggard when I took my son by to see her adorable daughter. *Joyce Neill* Krost was supposed to be in Richmond but we never found her. I also talked to *Edna Weiss* Clemans' mother. Edna starts work on her master's in American Literature at UNC this fall.

*Nancy Moncure* Myers and Hammond were living in Biloxi, Miss. until August. Hammond is in the Air Force. *Charlean Jackson* wrote Edna that *Martha Butler* Machiolette is expecting her second child. *Becky McCoy* Patrick has a little girl.

Thank you all for the news. I shall look forward to hearing from some more of you.

Thank you *Anne Eckert* for the newsy note! Anne tells me that she has been working as an assistant to an investment counsellor in Boston. She will journey to Europe in October with *Judy Youngman*, *Noreen Galvin*, and *Martha McMillan* and she hopes to live in or around Rome for a year. Noreen and Anne visited the Virgin Islands this year where they were treated royally by *Maria Rahola*.

*Prudie Shepard* was going to school in Boston. I don't know what she's doing this summer. I have recently returned from

Anchorage, Ky., where I was in *Maugee Lanham's* wedding. She is now Mrs. Barksdale Fletcher Roberts. *Betty Stewart* and *Chloe Irvin* Dodge were also in the wedding. Had a long chat with *Patsy Hilgartner*, who spent her first year out of college as a head resident at the U. of Ky.

*Julie Davis* will be in NY this summer and hopes to work in the big city next fall. I have a full time job taking care of little Kathryn Bowers. *Mary McMorro* Ruid should have her baby by now. She and Paul are living in France. Wish I had more news to report, but that's it.

Hi Gals,

There really hasn't been too much news this time. For those of you who do not know, I am taking over for *Betsy Hueston* Hansen while she is in Germany with Carl. So all of you write and let me know the news.

*Marcia Hrabar* sailed to Europe the end of June for the summer. She's teaching 1st grade in Elizabeth, N. J. and spent last Christmas in Nebraska with *Judy Youngman* and had a ball. *Chloe Irvin* was married to Doug in New York on April 7. Mouse (*Marilyn Messier*) and Marcia H. attended her wedding and said it was lovely. Chloe and Doug are living in NY.

*Kay Gamble*, who is seen a lot with Mandy (*Amanda Carson*), was married June 23 to Al Rhinher, whom she met at work. They are living in Norwalk. *Vaughan Hargroves* Scott and Walter are spending the summer in Europe. *Jackie James* Gloeckner and Kurt have a daughter. Donald Hare and their recent arrival. Another new arrival in the class of '83 or thereabouts is a son born on March 13 to *Sarah Leigh* Kinberg. Tom is at sea now, so Sarah and baby are back home in Norfolk.

Last July, *Sylvia Garland* went out to Calif. to visit Sarah for about two weeks.

She is now working in Richmond at the Employment Agency and has just gotten back from a trip to Miami. *Ellen Gotwalt* Yancey and Dick are going to be parents in November. Ellen says that she is still keeping house. *Eleanor Johnson* Skapars and Joseph are living in Chicago for the summer. She will be working at the Chicago International Trade Fair. This fall she plans to teach 6th grade in Dunn Loring.

I am working in Fayetteville and love it here. *Van Tripolis* and I visited Betsey Hansen a month or so ago. We had a good time exchanging all of the news of the MWC girls. Be sure to let me know if your address changes so that you can get the *Alumnae News*.

MARY

I am really loaded with news this time after seeing seven other classmates at Homecoming and receiving a long newsy letter from *Mouse Messier* (many thanks!) who reported the doin's from first floor Madison.

Attendance at Homecoming from '61 included *Nancy Brooks* (can't remember your married name, Nancy!), *Joan Dorsey*, *Betsey-Ellen Hueston* Hansen, *Eleanor Knight*, *Nancy Blevins* Miller, *Faith Moss*, *Helen Witmer*, and myself.

Nancy B. and David were expecting a baby in August and are living in Triangle while David goes through Basic School. Joan is living at home and looking for a job. Betsey-Ellen was waiting for her port call to join Carl in Germany. Eleanor is having a grand time at Duke working on her Ph.D. and keeping those male freshman chem students in line in her lab course! She brought *Nancy Hanlin* Newbill up with her, a member of our class who graduated in '60, and who now has a daughter.

Didn't get much chance to talk to Nancy Miller, Faith Moss, or Helen Witmar as a rainstorm came up during the buffet supper at Brompton! All in all, it was a lovely weekend and those of us who were there wished more of you could have joined us.

News on the latest Stork Club arrivals: *Marcia Minton* Keech had a girl March 29 and was going to Germany this summer to

Hello there,

Most of my news for this issue was obtained at the various weddings I have attended this summer. *Nancy Cheek* was married to *Robert Mitchell* on June 17 in Alexandria. They live in Lexington while *Robert* attends law school at W & L. *Elaine Clements* Gardner, *Sally Rambo*, *Sonny Thompson*, *Pat Newman*, *Nancy Hull*, and I went to the wedding. Quite a car full! I also saw *Reba Calvert* and *Carolyn Powell* there.

*Rebecca Ward* married Capt. *James Schmidt* on July 7 in the Memorial Chapel at Quantico. At the reception in Waller Hall I saw *Merridee Clark*, *Marilyn Modugno* Smith, *Tina McElroy*, *Kitty Berner*, *Kay Mizell*, and *Jan Eppard*. *Jeanne McNaughton* and *Peggy Hobart* were *Rebecca's* attendants. *Nancy Weston* missed the wedding because of appendicitis—hope you are feeling much better *Nancy*.

*Jan Eppard* is working for the Library of Congress. She likes her job, but says she can't cut. The good old days are really gone. In September *Jan* will be moving into an apartment with *Tina McElroy*, *Judy White*, *Mary Robin White*, and about a dozen other

people. The rent should be about ten cents a month for each person.

I received a letter from *Sheila Cooper*, one of your alumnae agents. She and *Ethel Hill* attended *Judi Bernstein's* wedding in Baltimore. *Marilyne Schulman* was maid of honor. Also attending the wedding were *Kathy Sasso*, *Margo Robinson*, and *Sue Edwards*. It really sounded like a lovely wedding.

*Sheila* also mentioned that *Margo* and *Kay Scruggs* are going to Europe. While there they may run into *Mary Conley*, *Betsy Carper*, and about half of our class. *Sue Katz*, *Wolfe Maddrey*, *Carolyn White*, and *Sheila* are all working in NYC. I think that's where the other half of the class is.

As for me, I just can't seem to stay away from school for very long. I am attending the Washington Hospital Center School of Medical Technology. *Mary Washington* was never like this! I attend a lecture for about

two hours every day and spend at least six hours in the laboratory. I can't even get away without sneaking out of lab early. Living in the Nurses' Residence has really been quite an experience. No more trips to the coke machine with hair in rollers, etc., etc., because one floor of the building is devoted to interns! I've been here about a month and haven't found a Dr. Kildare, Dr. Ben Casey, or even a Young Dr. Malone!

I know there are many of you that haven't been mentioned in this issue. Please write your assigned agent and give her all your news. If your name begins with A through H, write to *Linda Barwick*; if I through P, write to *Patricia Mackey*; and if Q through Z, write to *Shelia Cooper*.

However, should you prefer, you may send your news to any of them. Please report all changes in address and name to the MWC Alumnae Office, Box 1315, College Station. I'm looking forward to hearing from you.
